Announcement on Availability of Science Data to Users

ISRO and CNES, have announced the availability of science data to users, in their *Announcement to MEGHA-TROPIQUES Science Data Users*, dated 04 June 2012..

ISRO and CNES Project Teams are pleased to announce that L1A Products of all the instruments are now being provided progressively, to the agreed users, viz., the French and the Indian science teams and the international Announcement of Opportunity Principal Investigators (AO-PI's), on operational basis.

As a first step, the SAPHIR L1A products will be available from 06 July 2012. Other products will be available soon.
